

SCHMOOZA PALOOZA

THE MEETUP MASHUP OF CHAMBER NEWBIES AND VETERANS

Our monthly Schmoorza Palooza is an opportunity for current and new Chamber Members to socialize in a relaxed environment. Join us as we build camaraderie, share success stories, talk about upcoming Chamber happenings and provide a forum for our members to share their business needs.

MORE THAN A MEETING

This is not your average networking event.

Who said networking has to be boring? Not this Chamber! You can still have a meaningful meeting that's fun and engaging. That's what Schmoorza Palooza is all about: To provide a gathering for our members to meet and build rapport with ease - with some fun added to the mix.

BE HEARD

Provide input and share your needs with the Chamber Staff.

The Chamber is continually working to create new programs and improve current offerings that provide our members with the greatest opportunities to showcase their businesses. These meetings provide the forum for you to make the most impact when sharing what you want and need from your membership.

SHARING IN SUCCESS

You could benefit from someone else's success story.

Hearing from other Chamber members about something that has worked for them could be just what you need to get over a hurdle or block that is affecting your business. This event offers you a place to share ideas that are working and ask for help in troubleshooting an issue that you may be having in your business.

TOOLS YOU CAN USE

Learn how to access the most trafficked website in the county.

Whether you are a new member or you want a refresher course, this mixer ends with a website tutorial so you can walk away with the tools to engage the community with your business. We train you on using our website to promote your business in a variety of ways to keep your name out there in the public eye.

This monthly event is open to all members and their families as well as those considering joining the Chamber.

For those that attend Schmoorza Palooza, we invite you to join one of our Chamber Staff Members immediately following for a dutch-treat dinner at a Chamber Member restaurant to continue the conversation! Pre-registration for the dinner is required.
