Partnering for Success

Through the Access Pass Program, businesses have the opportunity to experience services that may not ordinarily be accessible to them. The services offered through Access Pass are a definite enhancement to businesses and certainly a value add to their membership. As a business that offers services through the Access Pass Program, RLS Focused Solutions has the opportunity to meet and work with member businesses in a more personal way. Businesses have the opportunity to experience what we do and how we work. It helps us market our business while helping our members, certainly a way to give back.

- Linda Stinson, Partner, RLS Focused Solutions
